Dear Judge,

My name is Jody Anne Varner and I serve as the Executive Director of Hope Unlimited International and like most professionals, use MicroSoft products daily.

I do not agree with the Proposed Final Judgment that you are considering. I implore you to cause MicroSoft to have to play by the same rules all others do. Please do not let this PFJ stand.

Sincerely,  
Jody Anne Varner  
Executive Director  
Hope Unlimited International
